#### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims are allowable over the prior art of record because the prior art fails to show or suggest, either singly or in combination thereof, a seat having a backrest, a plurality of engaging posts being formed on a peripheral portion of a rear side of the backrest, each post having a groove and a transverse fixing hole. A plurality of connecting blocks are provided, each having a sleeve for engagement with the support frame, and including an insertion portion which is engaged in the groove of the engaging post. The sleeves of the connecting blocks include a slit to allow for expansion thereof. A fastener is extended through each transverse engaging hole in the engaging posts to secure the connecting blocks therein, thereby fixing the backrest to the support frame.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter R. Brown whose telephone number is 703-308-2103.
